# It Pays To Talk

### ABOUT SHOES.

It pays to talk about the Leather that goes into the Uppers, the Soles, the Heels, the Linings and all the details of the Shoe. We know something about these matters and we will talk them over with you so that you will understand what you are buying.

### The Manufacturers' Shoe Co., Sign of the Big Shoe. Fort Street.

Honolulu, H. I.

For This Week the Plans

# **Judd Building**

Will be open for inspection at our office.

The Location is the Very Best in the City.

If you want a light, clean office with every modern convenience, of easy acress, where you can establish your-self permanently, call and make your selection before it is too late.

The building will be only three stories above ground floor—thus only a limited number of rooms are offered.

Hawaiian Safe Deposit and Investment Company.

Nearly all bodiess are best and they do not charge to the figure they do not charge to the figure ther to avoid the effect of the figure must be well cut and encountry Business meeting Company G, that the fullness will come in the place and there will be in banginess of an enness from bed litting. These about a class the first of the even when there is a large. It is before to bet the firing entered a combination below the waist. In putting on the design the waist large and the sign of the tween the fining and the balance holding the backer limits in place, so that Most of the new converted to the street to fullness at the top-the set of the want

horizontally or bands of trinming are arranged in the same manner. Sometimes there is a yoke, from which bands of trimming extend downward vertically.

ming extend downward vertically.

Blouses are made with or without a seam under the arm. The newest models have no seam there, the outside being cut a little longer than the lining, so as to hang over the belt. If the bodice is for a very slender figure, the bagginess may be rather accentuated; if for a robust figure, the extra length should be slight, the little gathers at the waist showing.

A picture is given of a blouse of navy

A picture is given of a blouse of navy blue serge. It has no fullness at the top, but is gathered at the waist, hanging over the belt. It is trimmed, front and back with narrow black velvet ribbon arranged in a lattice pattern. There are revers of white moire, trimmed with bands of vel-vet, and the belt is of white moire, with a gold buckle. The close sleeves are slightly full at the top and are decented with velfull at the top and are decorated with vel-cet bands, the basque also being trimmed with velvet. JUDIC CHOLLET.
